**CARD OF THANKS:**

**DERRER:** A BIG Thank You to the Lanark Ambulance Crew for your prompt and efficient response. Your service is much appreciated.

Wayne Derrer

**NELSON:** A big thank you to all those responsible for the Lanark Blood Drive being a success this year! We collected 30 pints, four of which were "double reds" donors. We know that there are many opportunities in the area for the local blood donor to donate blood, and we are especially happy that you chose to come to Lanark and donate your precious life-saving blood to the American Red Cross. Thank you to all those donors giving of their precious blood so that others in need will have it available when they need it. Of those people who came in, tried to give blood and were deferred, we say a special thank you, and to try again next year. We had several volunteers who gave of their time and talents. A big thank you to: Mary Block, Lois Hartman, Butch & June Hasz, John Lamoreux, Ken Viglietta, Carolyn Weaver and Bob Zuck. We are always in need of willing volunteers and are very appreciative of these wonderful people giving of themselves. The Red Cross sponsored a raffle of a \$25 gift certificate, and Betty Tornow of Lanark was the lucky recipient. The Lanark Lions Club came through again this year with willing volunteers and the Lanark Mothers Club provided a wonderful snack for our hungry donors. The Lanark Food Center donated the delicious sandwiches this year. A tasty cheese tray was provided by the Clever Clovers 4-H Club in honor of June being Dairy month. The Prairie Advocate again helped out with advertising. A special thanks to the Lanark Methodist Church for providing a cool, air conditioned location to hold our mobile. A final thanks to all the blood donors for your "gift of life" for helping others.

### Reduce Storm Water Runoff & Promote Conservation *Prairie Advocate*

In anticipation of the hearty vegetables and fragrant flowers, have you thought of a more conservational or economical way to water your plants?

The Whiteside County Soil and Water Conservation District is selling rain barrels. Our rain barrels are 60 gallon plastic barrels that are 100% recycled. The barrels have a perforated, screen mesh top to stop contaminants from entering. They also have top overflows and bottom drains along with a plastic spigot that can thread a hose.

To illustrate how important and how limited a resource freshwater is in our world, consider the following. More than 70 percent of the Earth's surface is covered by water, but only 2.5% of this supply is considered fresh water. The rest is found in the form of salt water in the oceans. Of the fresh water

that exists, most is locked up in glaciers and ice caps. Water can also be found in the form of clouds and humidity in the soil. That leaves us 3/10 of 1 percent found in the form of lakes, rivers and streams. Unfortunately, much of this small amount of freshwater is in danger of drying up or becoming so contaminated that it cannot be used for human consumption. Changing our habits of water use can help this growing problem.

Do you want some benefits of having a rain barrel?

- Rain barrels help:
1. Divert water from storm drain system and thus reduce pollutants and the velocity of water entering local rivers and streams;
  2. Store high quality water for gardens; harvesting rainwater with rain barrels to use for watering your landscaping, the rainwater can help to improve the health of your gardens, lawns, and trees. Rain is a naturally soft water and devoid of minerals, chlorine, fluoride, and other chemicals. For

this reason, plants respond very well to rainwater. After all, it's what plants in the wild thrive on!

3. Direct overflow water away from building foundations to more desired locations;

4. Reduce water and sewer bills, as well as electrical bills from sump pump usage.

For more information on any of these products, please contact the Whiteside County SWCD at 16625 Liberty Street, Morrison, Illinois 61270, call (815)772-2124 ext 3, email Wendy at [wendy.roman@il.nacdnet.net](mailto:wendy.roman@il.nacdnet.net) or visit our website at [www.whitesidecountyswcd.com](http://www.whitesidecountyswcd.com).

### Reward offered

The family of Jeff Hammer is offering a \$5000.00 Reward for the information leading to the arrest and conviction of the hit-n-run driver responsible for the death of Jeff Hammer. The accident occurred Saturday morning September 27, 2008 at the corner of Hershey Road and Shannon Route. Please contact the Stephenson County Sheriffs Office at 815-235-8252.
