Lanark City Council Briefs

The regular meeting of the Lanark City Council was held Tuesday, July 6. Council discussed:

- A resident's request to put surveys in the mailed water bills, helpful for Senior Citizens. Council agreed to take this action.

- Mayor Ed Stern signed the paperwork for a grant application for in-car video system for the Police Dept.

- Lanark's Farmers Market at the City Park. July 6 was the 3rd week, and there has been an increase in the number of vendors each week. A good response from the public, too. They are hoping to have a food vendor join in soon.

- A blueprint of the proposed municipal building project at 111 S. Broad St. was presented at a Planning Committee meeting, and several changes were made.

- The vacation policy for full-time city employees was changed. The new policy reads that when employed for 1 to 3 years, employees will receive 1 week vacation; 3 to 10 years, 2 weeks vacation; 10 to 20 years, 3 weeks; and over 20

years, 4 weeks.

- Only 2 bids were received by the Tree Board for tree removal. The Board approved the lowest bid, from Fransen's Tree Service, of \$12,815 for 16 trees.

- Received a bid from Mississippi Valley Pump of \$32,773 for repairs to the east lift station, but discussion ensued as to whether these repairs would correct the problem, and what action needs to be taken to correctly fix the problem.

- A resident reported their vehicle was damaged by a limb falling from a City tree in a recent storm. A claim was filed by the City with its insurance company, and is waiting to hear their decision.

- Mayor Stern said that Lanark has the highest garbage removal rate in Carroll County. Stern has contacted the City's removal service, Moring Disposal, and will discuss fee reductions.

The next meeting of the Lanark City Council is Tuesday, July 20, at 7:30 pm in the Lanark City Hall.
