NIFA Annual Dinner Meeting in Mt. Carroll

The Northwest Illinois Forestry Association Annual Dinner Meeting will be held Tuesday evening, March 24, 7:00 p.m., at the Mount Carroll Church of God.

Bill Gradle, Illinois State Conservationist with the National Resource Conservation Service (NRCS), will update the group on current conservation programs affecting forestry. Gradle has a keen interest in Illinois forests and has championed many programs for land owners to help manage and preserve their timberland during his 20 years with NRCS.

Also speaking will be LeRoy Poignant, owner of Illinois Timber and Export Co. Growing up in the family quarry and gravel business, Poignant conducted small logging jobs on the side, opening his own log yard in 2002. He currently buys timber and does logging statewide, cuts lumber, sells wood overseas, markets hardwood flooring, and will soon be offering custom trim work. He will be talking to the group about some of these enterprises.

Please make reservations by March 17 with Keith Arnold, 162 S. Apple River Rd., Stockton, IL 61085, or by calling 815-947-2941. The Church of God is located at the northeast corner of the intersection of Highways 52/64 and 78 on the south end of Mt. Carroll.
