Scrubbers in authentic Dutch attire scrub the street in preparation for the Fulton Dutch Days annual parade. Dutch Days saw rain on Friday, April 30, but completed the festival Saturday in mostly sunny conditions. Visitors came from all around the Midwest to participate in the activities, see "De Immigrant" Dutch Windmill, sample authentic Dutch food, and just have fun. (PA photo/Andrew Williamson)

IDOA Schedules Clean Sweep Collection in Northwest Illinois

Program will safely dispose of unwanted agricultural pesticides

Residents of eight northwestern Illinois counties can dispose of unwanted agrichemicals for free this year through the Illinois Department of Agriculture's Agricultural Pesticide Clean Sweep Program.

A Clean Sweep collection has been scheduled in late summer for Carroll, Henry, Jo Daviess, Knox, Mercer, Rock Island, Stephenson and Whiteside counties, the department announced today. The collection, which rotates among Illinois counties, is open to farmers, retired farmers, nursery owners, private pesticide applicators and landowners who inherited unwanted agricultural pesticides with their property.

"There are two, big reasons to take advantage of this program," Warren Goetsch, bureau chief of Environmental Programs, said. "First, it's free. If individuals were to properly dispose of agrichemicals on their own, the cost would be expensive. But the department is able to provide the service free of charge thanks to a grant is obtained from the U.S. EPA. Second, the state of Illinois,

not the program participant, will assume the liability for the proper disposal of all materials collected."

Participants must register the products they plan to dispose of by June 25. Registration is required to give waste disposal contractor time to prepare for the different kind of materials that will need to be handled. Forms can be obtained either by calling the Illinois Department of Agriculture's Pesticide Hotline at 1-800-641-3934 or visit one of the program sponsors listed below.

Participants then will be sent a reservation card indicating the date, time and location of their collection.

Four of the eight Clean Sweep Sponsors are in The Prairie Advocate's distribution area:

- Carroll County Farm Bureau, 811 S Clay St., Mt Carroll; Carroll County SWCD, 807C S. Clay St., Mt. Carroll; and Carroll County Extension Unit, 807D S. Clay St., Mt. Carroll.

- Jo Daviess County Farm Bureau, 212 N Main St., Elizabeth; Jo Daviess County SWCD, PO Box 502, Elizabeth; and Jo Daviess County Ext. Unit, 204 Vine, Elizabeth.

- Stephenson County Farm

Bureau, 210 W Spring St., Freeport; Stephenson County SWCD, 1620 S Galena Ave., Freeport; and Stephenson County Ext Unit, 2998 W Pearl City Rd., Freeport.

- Whiteside County Farm Bureau, 100 E Knox St., Morrison; Whiteside County SWCD, 16255 Liberty St., Morrison; Whiteside County Ext Unit, 100 E Knox St., Morrison.
